Re: Administrative Order
Docket No. SDWA-08-2003-0044
Terry Bison Ranch
PWS ID #5601267

Dear Messrs. Davison and Trefren:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order (Order), Docket Number SDWA-08-2003-0044, issued to the Terry Bison Ranch water system (the System) on August 25, 2003. The EPA has found that the System has complied with the terms of the Order so we will close the Order at this time.

Please be aware that the System is still required to comply with the National Primary Drinking Water Regulations (NPDWRs), 40 CFR Part 141. Violation of the NPDWRs or an administrative order may subject the System to a court-imposed injunction and penalties of up to \$32,500 per day of violation.

Thank you for your attention to this matter. If you have any questions related to this matter, please contact Olive Hofstader at (303) 312-6467.

Sincerely,

Lisa Kahn, Team Leader
Drinking Water Enforcement Program
Office of Enforcement, Compliance
and Environmental Justice
